SANFORD & BENEDICT
CHARDONNAY
STA. RITA HILLS
2019

“... comes from the original plantings that date back to 1971. Weightless and gracious, yet also full of flavor, the S&B Chardonnay is all class, all the way. Richness and depth are amplified, rather than stated in a Chardonnay that is all class. The 2019 is positively stellar. Citrus, floral and saline notes abound, but more than anything else, the S&B is a wine to admire for its textural subtleties and overall class.”
